## **PARTICIPANT ACCEPTANCE AND ACKNOWLEDGEMENT FORM**

To protect the health and safety of all instructors and course participants, the FSESO has implemented a number of preventative measures to protect against COVID-19 during the delivery of the CFSC and CRFSC courses and examinations.

Students must review and agree to adhere to these measures prior to confirmation of attendance in any course or examination.

### **Anyone attending a course must:**

- Observe physical distancing requirements – maintaining a distance of 2 metres/6 feet from others (unless they are members of the same family residing at the same address)
- Wear a mask when physical distancing is not possible, when directed by the instructor during certain parts of the course, and as required by local bylaws or the course venue
- Bring an appropriate mask which covers the nose and mouth
- Follow the prescribed hand sanitizing protocol, using the hand sanitizer provided by the instructor, including, but not limited to, when entering and exiting the classroom, before and after picking up a training firearm, dummy ammunition, or other course material, and as directed by the instructor (if you prefer, you may bring your own hand sanitizer, provided it is one recommended by the federal government for use against COVID-19)
- Adhere to all related directions provided by the instructor throughout the course and examination

Anyone attending a course or examination must adhere to these measures at all times. Failure to adhere may result in dismissal from the course or examination without refund or credit.

***If you have any questions or concerns regarding any of the above requirements, please contact your instructor directly.***

## **PARTICIPANT ACCEPTANCE AND AGREEMENT TO FSESO SAFETY MEASURES**

I understand and agree to adhere to these requirements. I understand that failure to adhere to these requirements may result in dismissal from the course or examination without refund or credit.
